April 1, 2024

Dear friends of Aukela Unique & Distinguished Scholars,

I am writing to introduce you to Aukela Unique & Distinguished Scholars, a nonprofit micro school nestled in the heart of West Park, FL. At Aukela, we are dedicated to providing a unique educational experience to a small number of students, fostering an intimate learning environment where every child is seen, supported, and nurtured.

As a nonprofit microschool, our mission is to serve low-income students and ensure that every child, regardless of their financial background, has access to a quality education. We believe in providing a holistic experience that goes beyond academics to include high-quality extracurricular activities and essential mental health services.

However, we are currently facing a financial gap that threatens our ability to continue offering these vital resources to our students. We recognize the importance of partnerships in bridging this gap and ensuring that our students have the support they need to thrive.

That is why we are reaching out to you today. We believe that by joining forces with like-minded organizations and individuals, we can make a real difference in the lives of our students and their families. Your support could help us continue providing high-quality education and essential services to those who need it most.

We invite you to partner with us in this important endeavor. Together, we can make a meaningful impact and ensure that every child has the opportunity to reach their full potential.

Thank you for considering this opportunity to support Aukela and the students we serve. If you have any questions or would like more information, please do not hesitate to contact me at 954-682-2826 or admin@aukelaeagles.com.

We look forward to the possibility of working together to make quality education and vital support accessible to all.

Warm regards,

Principal

Help Aukela Bridge the Gap

Aukela Unique & Distinguished Scholars is a safe haven where every child's potential is nurtured regardless of their financial background. As a nonprofit microscool dedicated to serving low-income students, we strive to provide not just education, but a holistic experience. However, we're facing a financial gap that threatens our ability to offer essential mental health services, high-quality extracurricular activities and classroom resources. In addition, many of our families cannot afford the difference between the state scholarship and our tuition, so we are incurring the cost to fill the need. We're reaching out for partnerships to bridge this gap and ensure our students continue to thrive. Join us in making quality education and vital support accessible to all.

Become a sponsor today and make a lasting impact on the lives of children and their families while gaining valuable brand exposure and fostering a positive community image.
